

2015 ANNUAL REPORT

25 *Years of Hope*

Cristina Vetrano
President and CEO CanCare, Inc.

Hearing and observing the powerful life stories of so many survivors—while watching my father battle cancer—makes my new role at CanCare very personal. Building on the legacies of Anne Turnage and Nancy Tucker is an incredible honor. It is also a challenge that I have eagerly adopted, knowing there is a growing community alongside me that is dedicated to improving the life of more cancer patients and their families.

While countless blessings continually fuel our goal to celebrate survivorship, we have only just begun to impact cancer. CanCare partners with over 160 congregations, hospitals and corporations, and has 600+ active volunteers who are well positioned to serve thousands more as we set our sights on the next 25 years.

GATHERING INPUT

My initial months have been focused on listening to stakeholders, mobilizing the momentum of survivors and sharing the vision of CanCare to additional partner organizations. It is abundantly clear that CanCare is needed more than ever.

OPPORTUNITIES ABOUND

Leveraging Efficiencies – Together we can find new ways to tap into our volunteer talents and expertise to help CanCare manage costs while helping to improve the quality of life for cancer patients and their families.

Telling Our Story – Our vibrant website captures the passion of our staff and heartbeat of our volunteers through authentic stories, inspiring videos and helpful resources. It also provides easy ways to connect with CanCare by donating time, expertise, or funding that will change and save lives.

Expansion – We will continue to reach out to new communities to explore strategic ways to better serve patients and caregivers in their new normal. The potential is energizing and practically endless.

As a faith-based ministry, CanCare has a hope to offer that is literally life changing. We are collectively inspired by 2 Corinthians 1:4 which encourages us to comfort others in their suffering as we ourselves are being comforted by God. I am excited to partner with you in the months ahead to ensure no one with cancer suffers alone.

A handwritten signature in black ink, appearing to read 'Cristina Vetrano'.

Warmest Regards,
Cristina Vetrano
President and CEO
